

Helen's Mailing List - If you would like to know more about our social events for singles fill in my form

I'm Helen and you don't see me around at functions very much these days because I met someone, just eighteen months ago. But I made a lot of friends and I like to keep in touch. I keep the mailing list up to date for Julianna.

Soon we will have on line bookings for our events, so do remember to visit my page again. Thank You.

Just fill out this form and I will let you know by e-mail when our Web site is next updated. All fields are required to be filled in.
