

Julianna - The Fun Goddess

If you are single and care about the company you keep - I can help you put more fun and romance into your life.

Julianna and Friends is a Social Club (not a dating agency). It was created for discerning singles to have an easy way to meet interesting single people while enjoying a variety of fun activities.

Our members are single executives and business/professionals in their 30's and 40's and 50's.

In the last twelve years, we enjoyed oceans of fun and celebrated dozens of weddings and engagements. Consummated thousands of romances and formed valuable business alliances.

If you feel that becoming an active member of a dynamic Social Club for Single Executives and Business/Professionals could help improve your life, please check out Membership Benefits and How to Join at Mo's Membership Privileges.

Live with Passion!
